## Work Experience:

Audio Engineer, *Independent Partnership* (June 2018 – Present)

- Developed a catalog of 500+ user-friendly audio recordings over a period of 6-months sold for use in commercial marketing campaigns, film-productions and video games.

Marketing Analyst, *Specialdocs Consultants, LLC* (April 2018 - July 2018)

- Audited extensive Quickbase databases while changing data collection processes to facilitate future analytic research initiatives.
- Worked with the Chief Executive Officer, Vice President of Sales, Marketing Director & Vice President of Public Relations to develop a Sales & Marketing dashboard tracking the effectiveness of internal and external spending efforts.
- Used Tableau, R, Python, Adobe Creative Cloud, iMovie and Microsoft Office to develop supplementary marketing materials including data visualizations, graphics, short films and mathematical estimations.

Inside Sales Campaign Support, *Barbara O'Brien for Denver Public Schools Board* (October 2017 - November 2017)

- Assisted a winning campaign in educating regional voters and encouraging voter turnout.
- Responsive communication across multiple platforms, including Messenger and Slack, to plan and perfect phone call tactics.
- Data reporting in Microsoft Excel to calculate estimated turnout- and conversion-rates.

Database Design Invitational Internship, *DUOS Project @ Quinlan School of Business* (March 2016 – August 2016)

- Developed a relational database of the experimental components cited in published economic research journals, including databases, variables, variable values, methodologies, equations, time periods and findings.
- Communicated with management and peers to design data entries in a “quote-perfect” way that facilitated artificial intelligence applications in learning how to scan additional papers for experimental components without human involvement.
- Reviewed graduate-level computational econometric research methods involving Linear Algebra, Calculus & Statistics.

*Whole Foods Market, Seafood Sales & Customer Service* (June 2014 to April 2016)

- Voted into a team in which I worked directly with management and peers to balance out department coverage, earning an increase from \$10.00/hour to \$12.00/hour across a nearly two-year tenure.
- Educated customers on the environmental- and health-conscious practices of Whole Foods Market’s seafood suppliers.
